

January Evangelism Mtg Jan. 29, 2004

Present: Fr. Maltby, Deacon Phillips, Lisa Kleinfelder, Rose Delage, Angie Viney, Mary Cochran, Laura Catoe

The different groups under Evangelism and Outreach were discussed. It was suggested and agreed upon that Deacon Phillips would chair a Pastoral Care Group with the approval of the vestry.

Since all present had interest in both Evangelism and Outreach, it was decided that the Outreach group meeting would be held at 6pm on the 4th Thursday of the month and the Evangelism Group would follow at 7 pm. On occasion, it might be that one or the other group might only have business enough to meet every other month.

Since an active youth program is something frequently asked about by newcomers and is highly prized by families with young children, fundraisers to raise money for playground equipment was discussed. More information concerning the selling of Easter candy, Christmas wreathes, and pizza kits will be obtained and the approval of the vestry sought to implement these activities.

A Greeters orientation will be scheduled as soon as this writer is able to do so.

The next Evangelism meeting is scheduled for Feb. 26th at 7 pm.

Respectfully submitted, Mary Cochran
