

MARCH EVANGELISM MEETING

March 26, 2004

Present: Lisa Kleinfelder, Laura Catoe, Marie Barron, Angie Viney, Mary Cochran
Absent: Fr. Maltby, Deacon Phillips

After opening with a prayer, Lisa Kleinfelder served us all pizza from Joe Corbi's Pizza Kits. These were donated by the company rep. so the committee could sample the kits and determine whether or not we wanted them for a fund-raiser. We were favorably impressed and decided that we would like to do this. When this might be presented to the congregation will be determined by when we get the estimates for the playground equipment, fencing and surface. Once we have set a monetary goal and notified the congregation we will decide when we'd like to offer the kits.

Contributions are starting to be received for the playground and it was decided that we will thank donors in the Alert as we progress towards our goal. Monetary amounts will NOT be mentioned.

The New Friends Reception was discussed and Marie Barron agreed to give a brief description and invitation to ECW for participants. Angie Viney will provide and serve her famous punch again.

The Easter candy will probably be available for delivery April 1st and Angie will e-mail names to each of the group to contact when and where the candy will be available for pick-up.

Respectfully submitted, Mary Cochran
