Subject: Stewardship Report

The Diocesan Stewardship "event" in March was completely filled prior to the change in my work schedule. I talked to the coordinator who stated that the Diocese has been pleasantly surprised by the amount of interest and is contemplating holding a larger event next year, or more than one.

I attended the New Members Reception and made a stewardship presentation. The responsibility for this year's Ministry Fair was transferred to Stewardship and it is time to begin planning. I don't know yet how many of the Stewardship Committee members will agree to continue. Input requested:

Proposed date: Sunday, August 21st.
Prospective committee members?
Format changes?
Refreshments?
