### Committee Report

Present: Libba Rhoad, Ann FitzMaurice, Joy Lind

The Stewardship Committee met June 1<sup>st</sup> to begin planning for the campaign. They reviewed recommendations made following last year’s campaign. The committee wants the ministry fair to be an integral part of the campaign (time, talent) and therefore felt August 22 was too early. The schedule stated above was proposed for Vestry approval.

The committee discussed themes for this year’s campaign but wants to keep last year’s “Thanksgiving” theme. They would like to consider a larger fanfare such as a blessing of the covenants. If the Ministry Fair does take place on Halloween, we would decorate with that theme and have that sort of snacks, etc. Will discuss with rector possibility of inviting children to wear costumes to church that Sunday.

The committee discussed establishing smaller subcommittees to work on the ministry fair and the annual report as only four committee members remain.
